The Big Game Bash!

The Bears' 26 - 17 win over the Cardinal was just as exciting as the Big Game luncheon held at the Deke house. With the resonance of the Spirit of '29 Dixieland Jazz Band in the air, alumni, families, and friends alike gathered throughout the Deke house on the sunny Saturday morning. The over two hundred in attendance enjoyed catering from Andronico's Market and the open bar was also a popular item of the day.

Thank you to all who contributed to the tip collection. All tips received went to the semester's pledge project, which was a big success. The day could not have

been successful without the generosity from the alumni. Special thanks to the alumni for all of the support!

ΔKE Banquet a Resounding Success

For the current undergraduate active brothers, one of the most exciting highlights of the Fall 2006 semester was the Delta Kappa Epsilon Alumni Banquet. The function, held on Sunday October 8th at the World Trade Club in San Francisco, joined over one hundred Theta Zeta alums, both young and old, with 30 current chapter members and six members of

the fall pledge class. The evening was a resounding success complete with a fine five-course meal, drinks, and jolly renditions of "Son of a ΔKE" and "The Red Hot Spot."

Speakers included Bob Tuller '56, who served as a host for the evening and introduced the recent initiates (who were met with light-hearted jeers). Also in attendance was Gordon Wilson '07 (President, Fall '06) who gave a thorough state-of-the-chapter report. The current actives took great pride in meeting and greeting with ΔKE alums from all over the globe, and look forward to the next alumni function!

FROM THE ALUMNI PRESIDENT

It is with pleasure that I take over as president of the Alumni Board from Jon Lotter '91. I've seen the ΔKE house change quite a bit since I pledged as a freshman in Fall 1998, and I'm excited to watch the chapter as it continues to transform. The house is in good condition and currently has more live-in actives than any other semester in recent years. For those who were able to attend last October's banquet, you can attest to what a great group of actives we currently have. It is important for all of us to have a focused effort to continue to fill the house with great Dekes in the future. I encourage any alum who knows any incoming Cal freshman that would fit the mold of a Deke to contact me. Let's remain active in the recruitment process to ensure a prosperous future.

Spring '07

Eight Pledges from January Rush!

We have very good news to report about the January rush program. It was a huge success with eight pledges! The January rush is always iffy and normally we are happy to

have four pledges. In light of 14 Dekes graduating this June, a successful rush was crucial. By all accounts, Theta Zeta remains one of the top houses on campus.

Alumni Dues

We have had a very good response to our 2007 annual dues notice so far and the Board of Directors sincerely thanks the many who have given to Theta Zeta.

This year we have many new contributors, but quite a number of alumni who normally give have not yet participated. It's a never ending challenge to balance the budget. The house is expensive to maintain and any support that you can give makes a great difference.

Hope we hear from you; thanks to all.

Check the list. Be sure you didn't forget. Some familiar names are missing from this list; however, these are the men who usually write their dues check in the spring, so we know their membership will be along soon. In the meantime, we have many new names on the roster this time around, so we'll surely be over the top for 2007. The complete list will be published in the Fall 2007 *Theta Zeta*. Thank you!
